EMPLOYMENT:

September 2016 – **Freelance Sound Engineer**

Present:

Across both sound production and post-production, I have enjoyed a fruitful relationship with various production companies in London. I have freelanced in various capacities: sound recordist, sound designer, sound mixer, sound assistant, and boom operator,

August–

November 2017:

Soundnode

Sound Engineer (traineeship)

Working in various aspects of sound I expanded my skillset and knowledge of sound recording, post-production, soldering, and acoustics through mentoring and on-the-job learning.

EDUCATION:

September 2015 – **Glasgow School of Art**

September 2016: **Master of Design (MDes): Sound for the Moving Image**

Award:

Pass with Distinction

This course taught me the craft and creative practice of sound production as applied to film, animation, television, new media, electronic games and visual art. I received training in both sound recording and post-production techniques and equipment.
